4. Gender and Development (GAD) Activities

The Philippine Charity Sweepstakes Office is an agency that strongly advocates gender equality and women empowerment. True enough, the office stands firm despite the challenges of the modern times as the office is being led by a woman of will and compassion – General Manager Royina Marzan Garma. In 2021, the PCSO has allotted Php20 million for gender and development activities. The office continuously participates in the National Women's Month Celebration every March in
